## MIDDLE SCHOOL BASKETBALL

October 1, 2017

Dear Parents,

Rocky Mountain Lutheran High School will begin its tenth season of middle school girls and boys basketball at the end of October. This year again we hope to have both girls' and boys' A and B team levels. A practice and game schedule accompanies this mailing along with a registration form.

In the 5280 League, to which RMLHS belongs, several schools have middle school teams with whom we will compete. These schools are located in the metro area and Boulder.

Our season will begin with practices at the end of October, followed by regular season games and practices into the beginning of December. The season will end with a postseason tournament the week before Christmas. This means the season will not conflict with the CLAL schedule but will give players who want more training and game experience that opportunity!

The RMLHS basketball coaches and I feel strongly that developing this team would have great benefits to your players right now as well as during their high school years.

To register, please return your MS basketball team registration form and check payment to RMLHS by October 23. Forms and payment should be mailed to RMLHS, 10391 Luther Court, Commerce City, CO 80022. You can also register and pay online by visiting: <https://squareup.com/store/rocky-mountain-lutheran-high-school>. If registering online the form can be brought to the first night of practice.

Practices and Games will be held at Hidden Lake High School(7300 Lowell Blvd, Westminster, CO 80030). Directions to away games will be emailed out and posted online.

I am looking forward to the season, and I am excited to see the benefits to our middle school basketball players. If you have any questions please contact: Kelly Presser- 303-346-1947 (school), 303-877-8010 (cell) or [ad@rmlhs.org](mailto:ad@rmlhs.org).

In His service,

Kelly Presser

Many forms of athletic competition result in physical contact among players, the use of equipment that may result in accidents, strenuous physical exertion, and numerous other exposures to risk of injury.

Students and parents must assess the risks involved in such participation and make their choice to participate in spite of those risks. No amount of instruction, precaution, or supervision will totally eliminate all risk of injury. Just as driving an automobile involves choice of risk; athletic participation by students also may inherently be dangerous. The obligation of parents and students in making this choice to participate cannot be overstated. There have been accidents resulting in death, paraplegia, quadriplegia, and other very serious permanent physical impairment as a result of athletic competition.

By granting permission for your student to participate in athletic competition, you, the parent or guardian, acknowledge that such risk exists.

By choosing to participate, you, the student acknowledges that such risk exists.

Students will be instructed in proper techniques to be used in athletic competition and in the proper utilization of all equipment worn or used in practice and competition. Students must adhere to that instruction and utilization and must refrain from improper uses and techniques.

If any of the foregoing is not completely understood, please contact RMLHS for further information.

Please return to RMLHS by **October 23**.
