

**Rocky Mountain Lutheran High School
Student Supply List
2018-19**

School supplies needed for the 2018-19 school year:

1. Bible -NIV Translation - Concordia Self-Study Bible is a good choice as it has a concordance and study helps. Each student should have a hard copy so that he/she can take notes in Bibles, etc.
2. Chromebook - We are a "Google School", meaning that we use Google's Apps for Education software-over-the-internet. Google's Apps allow us to give each student and teacher access to e-mail, calendars, office suite, online storage, digital textbooks, class notes, etc. To access these apps, we require each student to own their own Chromebook. Many different Chromebook models are available. (Please see www.google.com/chromebook/find/), and more will be released this Fall. All of these models function the same way and any model will work well in the classroom; please choose the right fit and price point for your son or daughter.
3. Single subject notebooks for each class.
4. Loose-leaf, three-hole punched graphing paper and college-lined loose-leaf paper.
5. A one and a half-inch three ring binder for each class.
6. Book covers will be required for each hard copy textbook.
7. Writing utensils - pens and pencils.
8. A pair of scissors, compass, protractor, ruler and glue.
9. Each student should bring two boxes of tissue to the school office.
