Frequently Asked Questions About Auction Items

Do I have to stick with the suggested donation ideas?

No. What we are looking for are new (unused) items, services, artwork and experiences. The items listed are only ideas that have been successful at ours and other auctions. Be creative!

How important is the Auction Donation Form?

The forms are very important. Please complete the ENTIRE form and be sure to include a detailed description of your donation as it is vital to the auction catalog write-up – we want to present your donation in the best possible way. The information is used for inventory, the auction catalog, and tax receipt purposes.

What about gift certificates?

Certificates are great. If you do not have an official gift certificate, we can create one for you. Simply fill out the form with all of the relevant information.

Where do I drop off the donations and the forms?
